

Assistant LISO (apprenticeship) in Internal Control at Arvato; cybersecurity bachelor at Guardia, Mastère (offensive & defensive) from Sept 2026. Focus: GRC, blue-team detection, and network security.

APPRENTICE @ ARVATO UNTIL SEPT 2028 · MASTÈRE 2026-2028 · FULL-TIME FROM SEPT 2028

// EXPERIENCE

Assistant LISO - Local Information Security Officer Arvato OCT 2025 - SEPT 2028

- EBIOS RM risk analyses (GRC, second line)
- ISO 27001 certification programme · ISREG · ISMS continuous improvement
- PSSI and security-policy drafting
- Third-party / supplier security assessments
- Vulnerability management via JIRA (CVSS · SLA)
- ISMS documentation & on-site sitewalk audits (logistics sites)

Flutter Development Intern AaliaTech DEC 2024 - FEB 2025

- Responsive Dart/Flutter interfaces
- Firebase auth and storage
- Performance optimisation and bug fixing

Web Developer Intern Minkey APR - JUN 2024

- UI improvement
- Performance optimisation
- WordPress → HTML/CSS/JS migration

// PROJECTS

CyberLearn Next.js · Supabase · PostgreSQL RLS 2025

Full-stack cybersecurity learning platform; row-level-security authorisation, gamification, automated video pipeline. cyberlearn.fr

Zero Trust Architecture EBIOS RM · Stormshield · Wazuh XDR 2026

Final-year dossier, three-site supply-chain operation: EBIOS RM analysis, 11-VLAN segmentation with a deny-by-default flow matrix, hybrid AD tiering, SIEM and supervision stack.

Cryptographic audit (STM32) Side-channel · UART/JTAG · Python 2025

Timing attack recovering a password from an early-exit comparison; median-based measurement methodology and hardening report.

NULLSEC Next.js 16 · GSAP · Typst 2025

This portfolio: typed content as single source of truth; this CV compiles from the same data. github.com/xoudev/nullsec

// CERTIFICATIONS

CSNA - Stormshield Network Administrator OBTAINED · MAR 2026 · 80%

Certification targets: ISO/IEC 27001 Lead Implementer 2027 · CISSP 2028
